Software Development Engineer with a strong background in web development, specializing in Angular, React, and TypeScript. Proven expertise in Ionic native development for mobile applications on both Android and iOS platforms. Solid foundation in front-end technologies, including HTML, CSS, and JavaScript. Skilled in state management using Redux, Redux Toolkit, and React Hooks.

SKILLS: Expertise in Angular, React, TypeScript, Redux, Redux Toolkit, RxJS, HTML, CSS, JavaScript, GitLab, and Ionic native mobile application development using Cordova and Capacitor. Proficient in state management with Redux, Redux Toolkit, and React Hooks.

TECHNOLOGIES & TOOLS: Proficient in using Git, GitHub, GitLab, Postman, VS Code, Android Studio, Xcode, JIRA, and various React development tools.

PROFESSIONAL EXPERIENCE

SURYA DIGITECH PRIVATE LIMITED   **July 2022 – Present**
Software Development Engineer I

- Developed a web application using Angular with TypeScript, concurrently creating Android and iOS applications with Ionic for native development.
- Managed front-end deployment and facilitated upload to Play Store and App Store Connect.
- Collaborated in an Agile-Scrum environment, gathering requirements and assisting in sprint planning.
- Translated Figma designs into responsive user interfaces (UI) for the application.
- Integrated server-side components for enhanced functionality.

Additional Projects:

- **Back Office Tool:** Designed and implemented a comprehensive internal tool for user profile maintenance, focusing on React, Redux, JavaScript, TypeScript, and Tailwind CSS.
- **Employee Time Tracking Tool:** Led development of an internal tool to monitor employee work hours, emphasizing Angular, Ionic, Capacitor, and Tailwind CSS.

SURYA SOFTWARE PRIVATE LIMITED   **March 2022 – June 2022**
Software Development Engineer (Internship)

- Developed a web application using Angular and Typescript.
- Simultaneously, created Android and iOS applications within the same project using Ionic for native development.

EDUCATION

New Horizon College of Engineering, Bengaluru   **2018 - 2022**

Bachelor of Engineering in Electronics and Communication Engineering - CGPA: 9.17
